

DARK COLORS

A curated palette for Kenyan homes, offices, and buildings

This chart features 144 deep, rich shades — the darkest tone from every color family in the collection — from yellows to greys — to help you choose paint with confidence.

IMPORTANT DISCLAIMER

Colors displayed in this chart — whether viewed on screen or printed — are digital and print representations only, and may vary from actual paint due to screen calibration, printing processes, lighting conditions, and surface texture. We strongly recommend testing a small sample on your actual surface before committing to full application.
