

GREYS & NEUTRALS

Pure neutrals and near-neutrals for Kenyan homes, offices, and buildings

This chart features 98 shades across 14 color families in this collection, each running from its lightest tint to its deepest tone — to help you choose paint with confidence.

IMPORTANT DISCLAIMER

Colors displayed in this chart — whether viewed on screen or printed — are digital and print representations only, and may vary from actual paint due to screen calibration, printing processes, lighting conditions, and surface texture. We strongly recommend testing a small sample on your actual surface before committing to full application.
